FARM HOME BURNS IN UNION COUNTY

Explosion of Gasoline Store Be-
lieved to Have Caused Fire

COUNTY READY TO MEET DIRECT RELIEF SLASH

All Employable Persons To Be
on Works Projects
by Aug. 1

BIG REDUCTION PLANNED Pay To Be For 130 Hours a Month Wage Scale Is Announced

A 50 to 60 per cent reduction in direct relief fund in Ohio in August is announced today by C. C. Stillman, state relief administrator, who said that Marion county relief director predicted.

Further Reductions Seen
Stillman asserted that further reduction will be made from month to month as the FERA in Washington reduces the amount of money given to states for direct relief. In announcing the cut in direct relief funds in August, Stillman pointed out that either local subdivisions must assume more responsibility for their relief needs or works program projects in the state must get under way sufficiently to take up the amount of reductions in each county. It is very probable that even if neither of these two expectations is realized, FERA funds will continue to be reduced from month to month in very appreciable amounts. The Associated Press quoted the administrator as saying: "This is probably by reason of the fact that Washington is withdrawing direct relief allocation."

HALF BILLION YEARLY LEVY YIELD SOUGHT

Congressman Says Substantial
Amount Needed After
Talk With Roosevelt

WASHINGTON, July 6.—Taxes that will raise \$500,000,000 to \$600,000,000 a year were discussed today as the sum of a leading member of the congressional committee putting the President's program into bill form.

The Schaffner-Queen Funeral Home is Now Air Conditioned

Marion's progressive funeral home now offers, without charge, the use of its air conditioned Chapel, rest and reception rooms for services during the hot summer months.

In keeping with the progress of progress and the wish to offer the best funeral service to be found anywhere — we have installed Strang Electric Air Conditioning and Comfort Cooling.

Only a few funeral homes in the country offer this welcome and beneficial service. The air is cooled, dehumidified, purified and washed. There is a complete change of air every few minutes.

Before the funeral services it is a comfortable place to meet friends and relatives. During the services oppressive heat will be turned into healthful refreshing air.

In all, we believe the addition of air conditioning assures Marion that The Schaffner-Queen Co. offers one of the nation's most thoughtful, dependable and reasonable funeral services.

(You are welcome to inspect and enjoy this new addition anytime)

The Schaffner-Queen Co.

BRICKER FLAYS GOODRICH CASE

Says He Told Mahoning Co. Officials Court Must Assume Responsibility

SUSPECT HELD IN SLAYING

Faces Murder Charge in De- generate Killing of 11-Year- Old Detroit Girl

By The Associated Press
COLUMBUS, O., July 6.—(AP)—Bricker today flayed the Mahoning Co. officials for their failure to assume responsibility for the slaying of a 11-year-old girl in Detroit last week.

Bricker today said he had written a letter to the Mahoning Co. officials in Detroit last week, telling them that the court must assume responsibility for the slaying of a 11-year-old girl in Detroit last week.

It has always been the belief of the Mahoning Co. officials that the slaying of a 11-year-old girl in Detroit last week was a case of a girl who had been sexually abused by a man who had been employed by the Mahoning Co. officials.

From what I have said in this letter it is quite apparent that the responsibility for the slaying of a 11-year-old girl in Detroit last week was a case of a girl who had been sexually abused by a man who had been employed by the Mahoning Co. officials.

NEIGHBORS HONOR STORK DOCTOR, 100

(Continued from Page One)

Local association is to pay tribute to the profession at a public reception. Preceding this Dr. Thompson is to be a family doctor.

About those 60 year old babies unpaid for Dr. Thompson recalled a man came to his office and declaring he was an applicant for a pension asked Dr. Thompson—who had attended him at birth—if he could help out.

Cousin I can Dr. Thompson replied and turned to his books. Finally he came to the record.

Yes he said glancing up and looking to the man, you're 60—then 61—and still unpaid for.

Recently Dr. Thompson cared for himself in large measure and by electric pad and hot bricks he said ended himself from an attack of angina pectoris (hardening of the arteries). He walks with a cane but is surprisingly agile and will make night calls if in able.

He still compounds his own prescriptions and less than a year ago set a leg fracture so successful by the use of the broken foot—by the use of the broken foot.

It was pointed out that the FPA works division could pass out of existence July 31 and that the WPA will assume those projects calling for an expenditure of \$25,000 or under. All projects costing more than that will be filed in the FPA headed by Mr. H. H. Lick.

Under the new WPA program here Mr. Abel said that as soon as a relief client is assigned to a position on a work project his relief case would be closed completely and that he would assume his own responsibility for his life as if he were starting work in private industry.

As to the WPA program workers will not be paid by the hour but will receive a set salary for 130 hours of work a month. If weather conditions prevent a number of days work on a project the worker will receive the same as if he were starting work in private industry.

The salary schedule set up under the WPA is as follows: Common labor \$48 a month; skilled labor \$50 a month; and technical work \$52 a month.

In the future direct relief funds in Marion county will be used for the benefit of unemployed relief clients only. Mr. Abel said.

According to a report submitted by Mr. Abel several days ago the county's full relief allowance is shown to be \$311.76 direct relief \$46,690 for work projects \$2,300 for travel and \$1,700 for emergency schools. The relief load now stands at 1,484 families receiving direct relief and 9,746 receiving work projects and 9,746 receiving work projects.

The relief load now stands at 1,484 families receiving direct relief and 9,746 receiving work projects and 9,746 receiving work projects.

Silk Mill Tops Gasco, 8-4; Erie Traffic Team Loses

HANK GREENBERG HAS FIELD DAY AS TIGERS POUND BROWNS, 16-1

Detroit Cuts Yank Lead; Dodgers Wallop Giants and Bucs Win.

BY HUGH S. FLEMING, JR., Associated Press Sports Writer
Hank Greenberg was left out of the reckoning when the Tigers beat the Yankees 16-1 in the All-Star ball game at Cleveland Monday, apparently in protest of his exclusion from the team. He was not even in the lineup to take the American League lead away from the Yankees.

Already far ahead in the home run race, Hank Greenberg approached Babe Ruth's record when he belted out his 24th and 25th circuit runs of the year yesterday in the course of Detroit's 16-1 triumph over St. Louis. That not only gave him lead of eight over his nearest rival but put him right in line for a shot at the Ruthian crown.

Sorrell Wins
At this stage in the 1927 season, when he set the record of 50 homers, Babe Ruth had only 26 circuit drives to his credit and he didn't hit a particularly fast clip until September.

In addition to his two boundary belts, each with a man on base, Greenberg smacked a pair of singles and converted them into runs, and drew a pass in the fourth inning when the Tigers scored five runs to make their eighth straight victory a virtual certainty.

Aiding in the triumph were 11 other Detroit blows and some fine pitching by Vic Sorrell, who has been in only seven games this season. Sorrell gave only seven hits for his season's second victory. The other was scored over the Browns last week when Greenberg hit another pair of homers.

The Tiger triumph reduced the Yankees' lead in 14 games as the New Yorkers' game at Washington was rained out, leaving two National League contests to complete the day's program. The Philadelphia-Boston games in both circuits and the Red-Cardinals clash previously had been put over to make later doubleheaders.

Homeless Belled
Pittsburgh's third-place Pirates, home from a long road trip, enjoyed a profitable day in the senior circuit when they whitewashed the Cubs, 4 to 0, hitting their tiny nemesis, Roy Henshaw, to cover, while the league-leading Giants took a 11 to 1 drubbing from Brooklyn. That put the Bucs only a half game behind the Cardinals and nine behind the Giants.

The Pirate veteran, Red Lucas, found a hot day in his liking and scattered nine Chicago blows expertly while the Bucs made most of their eight hits off Henshaw, counting along with four walks and a wild pitch. The Dodgers, who had been taking it on the chin at home, got even at the expense of the league-leaders by pounding out 21 assorted blows in the New York park while Johnny Babeich went the route for the first time since late April.

SOFTBALL SCHEDULE FOR NEXT WEEK

TUESDAY
Calver vs. Lee Street at President.
Trinity vs. Elmwood at 1st at Garfield.
Reformed vs. Epworth at 1st at S. S. S. Night Doubleheader.

WEDNESDAY
Presbites vs. St. Mary at 8:30.
Oakland vs. WEED at 9:30.

THURSDAY
(Postponed game of June 6)
W. & D. vs. Elmwood (Home at Garfield).

FRIDAY
Pallak vs. Hamburg at 1st at Lincoln.
(Postponed game of June 7)
Eagles vs. Elks at 8:30.

SATURDAY
Saratoga Grill vs. West. Cubs at 8:30.
Huber vs. S. S. S. at 9:30.

SUNDAY
Pallak vs. M. S. S. at President.
Green vs. Elmwood at M. S. S. W. & D. vs. Hamburg at 1st at Lincoln.
Huber vs. S. S. S. (Night).

MONDAY
West. Cubs vs. Erie Traffic at Lincoln.
K. of P. vs. Elks at President.
Free Night Program
Centennial vs. Elks at 8:30.
Pittsburgh vs. Saratoga at 9:30.

Weavers Bunch Hits; Commercial Loop Tied

Record Crowd Sees Night Program; Pleasant Hitters Pound Shoemaker.

LAST NIGHT'S GAMES

Silk Mill vs. Gasco 8-4
Erie Traffic vs. Centennial 10-4
K. of P. vs. Westinghouse 10-0
Centennial Coal vs. Elks 4-0
(Night)

HOW THEY STAND

Team	Won	Lost	Pct.
Pleasant Luth. A. C.	8	2	.800
Erie Traffic	6	2	.750
K. of P.	6	2	.750
Silk Mill	5	3	.625
Westinghouse Cubs	3	5	.375
Saratoga Grill	2	4	.333
Elks	1	4	.200
Centennial Coal	1	4	.200

One league championship is a long way from a final settlement and another completely knotted up again as a result of yesterday's softball encounters.

The Susquehanna Silk Mill team is more firmly entrenched at the top of the Industrial League after last night's win at Lincoln park over the Gasco nine, 8 to 4 under the lights. Heavy hitters of the Pleasant Luth. A. C. pounded the Erie Traffic team, 10 to 4 in twilight tilt at President field to erase the railroaders' lead in the Commercial league.

Steel Show.
These two encounters stole much of the thunder of yesterday's city league games. The largest crowd yet to attend a night game saw the Gasco-Silk Mill classic and fireworks display at Lincoln park. More than 1,800 fans witnessed the battle.

In other league encounters yesterday the Elks walloped the Saratoga Grill team, 10 to 4, the K. of P. aggregation won by a forfeit from the Westinghouse Cubs. Only seven Cub players reported for the game.

Steady hitting and head-up playing in the field enabled the Pleasant Luth. team to take an easy win from the Erie club. The Railroaders made a full bull game of the battle for five innings, but heavy hitting and lax playing on the part of the Erie fielders turned the game into a rout near the finish.

Coxie Wolfe held the Erie batsmen well in check, allowing but five hits. Shoemaker, pitching poorer ball than usual, was touched for 17 blows, including a barrage of extra-base blows.

The Marion counsellors scored two runs in the first inning on four hits, while the Erie team chalked up two runs on two hits and a walk in the second. Wells again got in trouble in the fourth when the last two tallies of the Erie team were scored on one hit, three passes and an error.

Elks Have Romp.
Leading the Pleasant Luth. team, pitcher of Shoemaker were Perk Sells, with two doubles and a single in four trips to the plate, Wells with three singles and five times at bat. Baumgardner was robbed of a long hit in the second when Sells, Erie outfielder, made a brilliant catch in left field.

The Elks had a field day at the expense of the Saratoga Grill team at Lincoln park in a twilight game. Goals and Alex. Schmitt poked out home runs while Marion Hanklin tripled and Gaudin and Gaudin hit doubles. Robbin and Young of the losers connected for home runs with the bases empty.

The Centennial Coal team downed the Eagles at Garfield park, 11 to 6, to capture its first win of the season. A crippled Eagles also failed to come through in the playoffs as the Coal Men had a big day at the plate.

Yesterdays STARS
HANK GREENBERG and VIC SORRELL, Tigers—Greenberg hit 24th and 25th homers for perfect day at bat. Sorrell limited Pirates to seven hits.

PIRATES' BUCHER and TONY CUCINELLO, Dodgers—Bucher led attack on Giants with four hits. Cucinello knocked in four runs with homer and two singles.

ARRANGE TWO GAMES.
The East End Cubs will play in a doubleheader softball program tomorrow afternoon at Garfield park against Centennial's fast nine. The first game is scheduled to get under way at 1:15 o'clock. It is believed that Myron Snyder will go to the mound for one of the games. The visitors have yet to lose a ball game, while the Cubs have a record of 10 games won and four lost.

WILL PLAY SUNDAY
The Marion Colored Independents will meet the Aces nine Sunday on the Commercial loop diamond on Cheneaux ave. The first game between these two fast teams will start at 3 o'clock.

HAS RETURN SCRAP

Paul Orth, the Tarran of the wrestling pad, will make his second appearance of the outdoor season on the Monday mat card at the open air arena. The Cleveland rugged light heavy is carded to meet Paul Bozzell the Oklahoma bad man.

ARKY VAUGHAN GETS 13 HITS IN RETURN

Injured Pirate Slugger Increases Lead in Week's Hitting.

By The Associated Press
NEW YORK, July 6.—All predictions to the contrary, Arky Vaughan resumed hitting at his usual clip or a little better when he returned to action after spending two weeks on the sidelines with a Charleyhoose and his hitting feats provided the outstanding feature in the big league batting race during the past week.

Only a few of the leading swimmers of the two circuits could improve their averages but Vaughan, after a brief slump, rallied to shoot his mark up to .306 in yesterday's games. That showed a gain of six points through the week, in which he made 13 hits in 23 times at bat. Bill Terry of the Giants picked up eight points to jump from sixth place to third among the National League leaders while Wally Pones of the Athletics gained six points and moved up from seventh to second in the American League.

The first five regulars in each major league follow:

Club	W.	L.	Pct.
New York	10	2	.833
St. Louis	9	3	.750
Pittsburgh	8	4	.667
Brooklyn	7	5	.583
Cincinnati	6	6	.500

Club	W.	L.	Pct.
New York	10	2	.833
St. Louis	9	3	.750
Pittsburgh	8	4	.667
Brooklyn	7	5	.583
Cincinnati	6	6	.500

RECORD IS BROKEN IN GRAND CIRCUIT

By The Associated Press
TOLEDO, O., July 6.—The Grand Circuit moved the stakes to Cleveland today after a meeting here which ended last night with the breaking of the second world record in two days.

Erla, owned by R. J. Reynolds of Winston-Salem, N. C., set a new mark for two-year-olds laterally marked fillies by circling the course in 2:04 1/2. Spec Erskine was driving.

Erla finished second and third in the next two heats of the race and race for pacers however, and lost the race to Jack Ott, driven by Ben White. The former record was 2:04 1/2, established by Silver Belle in 1921 at Lexington, Ky., and equaled by Mary Fairworthy in 1932 at Indianapolis.

ARRANGE NEVADA BOXING TOURNEY

Special to The Star
NEVADA, O., July 6.—Preliminaries of a boxing tournament for amateur fighters of Marion, Wyandotte and Crawford counties will be held at the Green Theater building here July 25 and 26. It was announced today.

Semi-finals and finals of the event will be held the following week. Amateur fighters from the Marion and Wyandotte Golden Glove tournaments are included in the list of entries. Robert Lawrence and Earl McCreary are in charge of the event.

WRESTLING LAST NIGHT

By The Associated Press
NEW YORK, July 6.—Joe Gault, 200 Three Oaks, Mich., defeated Jack Donovan, 222, Horton, Pa., in a contest which both fell in the 7th.

HOUSE OF DAVID NINE TO MEET FAST TEAM

City's Best Players To Meet Strong Traveling Club Monday.

Marion is to have its own baseball classic Monday afternoon at Lincoln park when the House of David traveling club plays the Hoagans' Pirates. The game is scheduled to get under way at 8 o'clock.

The nationally known sketched team will meet a team selected from the city's outstanding players and a fast game is expected. The House of David team includes in its lineup many former major and minor league players and is considered the fastest traveling outfit now on the road.

Marion players to see action Monday afternoon include Fetter, Van Scoy, Longshore, Harruff, Castner, Walsh, pitchers, McAninch, Gallant and Drumm, catchers; Marshall, Shoup, Roseberry, Fetter, Ponier, Abraham, Infielders; Stover, Caris, Baldauf, Penry, Hatfield and Harbin, outfielders.

Dizzy Dean Will Pitch Monday Despite Battle

Frisch Cools Off After Run In; Mungo Out of All-Star Game.

By The Associated Press
CHICAGO, July 6.—Jerome "Dizzy" Dean, pitching ace of the St. Louis Cardinals, will pitch in the All-Star game between the picked National and American League teams in Cleveland Monday, despite another battle with Frankie Frisch, manager of the World Champions.

The two disagreed over even to "take a bow" in the exhibition game between the Cardinals and the St. Paul club of the American Association at St. Paul yesterday.

Considerably cooled off after the 400-mile ride from the Twin cities, Frisch said today.

"Certainly he will play, why not? I'm sorry he did not take the advantage of his opportunities in St. Paul yesterday.

"If a man like Dean don't think enough of his profession to go out and honor fans, who might have driven 10 to 50 miles to see him in action, why he don't belong in the game."

Dean was still in a rage when the Cardinals arrived here early this morning, enroute to St. Louis. Between the gulps of ice cream, Dean launched into a tirade against the Cardinals, declaring that Sam Breadon, president of the team, and Branch Rickey, vice president, treated all players like they were dogs.

"They advertise me in St. Paul to speak over the radio," Dean boomed, "but it was against the contract I had with my sponsors in St. Louis. Finally I got burned up and talked anyhow. I told the listeners that if any of them were ambitious to become major league ball players, for play's sake not to join the Cardinal organization, because it was like being in the chain gang. They bring you up from the minor leagues, and if you don't hit .500 right away, they send you right back."

Autographs for Fans
"Why, I spent 40 minutes, standing on top of a dugout in St. Paul autographing baseballs and programs, and thought that was enough. I ain't going out on them coaching lines just to make a monkey out of myself. They got three other guys to do the coaching. I don't get paid for coaching; I get paid for pitching."

"I offered to pitch a few balls even if I did pitch Thursday, but Frisch didn't want me to."

"Roy, Dizzy yelled, 'have your money, and you won't have to play in exhibition games, just to get \$4,000 for the Cardinal outfit'."

Frisch manager of the National League All-Stars, expressed sorrow over the report that Van Lingen Dodgers, will be unable to play in the Cleveland game, due to an injured finger. He said he might select Len Warneke of the Chicago Cubs to fill the gap.

WILL PLAY SUNDAY

The Ritz Grill baseball team will journey to Upper Sandusky Sunday to meet the Millin Red Sox club of that city. The game will start at 2:30 p. m. with Honaker and Anderson as the battery for the local team.

Attendance Last Night Lifts Commission Gloom

Softball Ruling Body Plans Events To Increase Income from Project.

After listening to a discouraging report of night softball game receipts at their meeting last night, members of the city softball commission were more optimistic at last night's baseball game program. A record crowd for the season encouraged commissioners as to the outcome of their venture of lighting the field.

Softball fans had failed to support the 12,000 project of the commission prior to last night and the gloom hung over the meeting at the Y. The commission voted at the session to give the venture its last trial next week.

Deciding to "play ball" with Marion fans, the commission selected Friday night to give a free program of two games to arouse interest in the project. A series of outside attractions, including girls teams, traveling clubs and intercity contests were decided upon at last night's session.

Application was made by William N. Fabian, state district softball commissioner, to use Lincoln park and the lighting equipment for local elimination and district tournaments. The commission approved a motion to place four teams from each of the four city leagues in the tourney to be held

NEW BASEBALL TEAM TO PLAY TOMORROW

Face Richmond at Lincoln Park.

The new Marion Steam Shovel baseball team will swing into action tomorrow at Lincoln park against the Richmond club. The game is scheduled to start at 2:30 o'clock.

Richwood has dropped but one game this season, losing to the Columbus Cardinals. The Steam Shovel club was originally scheduled to face the Columbus Cardinals for the first time in five seasons and have been holding a quite respectable sixth place in the team standings since the race settled into mid-summer stride.

Energy, speed, daring and excellent physical condition are the assets these youngsters have tossed into the fray to more than counterbalance their lack of experience. Several have proved that lack in the matter of big league equipment.

Hotting Young Fellows.
They're playing a lot of bases and they're executing a lot of double plays. At mid-year they had stolen more bases than the league-leading Giants, the Pirates and the Boston Braves combined.

An analysis of the Reds' relative position in the league in various departments of play gives a pretty good line on why they've vacated the cellar—and why Redland fans are sure they're going to keep on rising.

Of 13 departments of play, the Reds were "last" in seven, seventh in one, sixth in two, fifth in two, and fourth in one, a year ago at midseason. This year they are "last" in none of these lists, first in three (stolen bases, assists and double plays). They are the league's third best team in bases on balls, home runs, and total bases—three good things to have.

Not Happy At Plate.
There is a paradox—and a pleasing one in Red fans—in the comparative table of 1934 and 1935 ratings, for the youth of the team is expressed in its leadership in stolen bases and double plays, yet the youngsters aren't too hasty at the plate, as shown by the fact they are third in the league in getting bases on balls.

The table:

	1934	1935
Hitting	last	sixth
Runs scored	last	sixth
Total hits	last	seventh
Total bases	last	third
Two-base hits	last	fourth
Three-base hits	last	fourth
Home runs	last	third
Stolen bases	first	first
Bases on balls	last	third
Folding	last	fifth
Assists	last	first
Double plays	last	first

He reached agreement with General Manager Larry MacPhail and Manager Charlie Drossen after making known he had bids from the Reds, Dodgers, Braves and Yankees. The deal was closed over a long-distance phone.

Though signing him, the Reds will not have to let any present member of the crew go since his acquisition brings the squad up to the 25-player limit.

COOPERS "SINGLETON"

The perfect, snug fitting Knit Union Suit, no buttons, no crotch opening. Latest topped drop seat. Once tried, always worn.

Coopers "Singleton"

Here's that unusual sock—a sparkling novelty for the man who prefers plain color. Conservative... yet as interesting in wear as the Indian baskets... inspired it. We recommend it as outstanding both in style and value, at 50c.

COLUMBUS SWEET SERIES WITH TOLED

Indianapolis Moves Second Place; W. V. Leaders.

By The Associated Press
CHICAGO, July 6.—The Columbus Sweet Series with Toledo, Ind., moved into second place today.

During the recent series, the Columbus team won five games, and set a record for the most runs scored in a game as at home.

While the Millers were in the lead, Indianapolis, 10 to 13 in a night game, past Kansas City into second place.

Columbus made a six-run series with Toledo by scoring Mud Hens, 3 to 2. Joe W. home with a man on base. Red Birds off in the 1st and 2nd, but Bruce O'Brien, Pat Ankenman, combined error by Garbar, secured the winning run in the 3rd. Chambers received credit for victory although Ryba and G. divided the last two innings pitching. No other games scheduled.

MacPhail Plan of Remaking Reds Doing All Right

Young Cincinnati Club Has Assets Greater Than Experience.

By The Associated Press
CINCINNATI, July 6.—Larry MacPhail's baseball kindergarten has not exactly set the National League on fire this season, but the Reds have done well enough to convince Cincinnati fans that the youth movement of the red-headed Scotchman was a step very definitely in the right direction.

The Reds, boasting at times a line up that is 7-2's first-year big leaguers and almost all the time two-thirds "rookies," have climbed out of the National League cellar for the first time in five seasons and have been holding a quite respectable sixth place in the team standings since the race settled into mid-summer stride.

Energy, speed, daring and excellent physical condition are the assets these youngsters have tossed into the fray to more than counterbalance their lack of experience. Several have proved that lack in the matter of big league equipment.

Hotting Young Fellows.
They're playing a lot of bases and they're executing a lot of double plays. At mid-year they had stolen more bases than the league-leading Giants, the Pirates and the Boston Braves combined.

An analysis of the Reds' relative position in the league in various departments of play gives a pretty good line on why they've vacated the cellar—and why Redland fans are sure they're going to keep on rising.

Of 13 departments of play, the Reds were "last" in seven, seventh in one, sixth in two, fifth in two, and fourth in one, a year ago at midseason. This year they are "last" in none of these lists, first in three (stolen bases, assists and double plays). They are the league's third best team in bases on balls, home runs, and total bases—three good things to have.

Not Happy At Plate.
There is a paradox—and a pleasing one in Red fans—in the comparative table of 1934 and 1935 ratings, for the youth of the team is expressed in its leadership in stolen bases and double plays, yet the youngsters aren't too hasty at the plate, as shown by the fact they are third in the league in getting bases on balls.

The table:

	1934	1935
Hitting	last	sixth
Runs scored	last	sixth
Total hits	last	seventh
Total bases	last	third
Two-base hits	last	fourth
Three-base hits	last	fourth
Home runs	last	third
Stolen bases	first	first
Bases on balls	last	third
Folding	last	fifth
Assists	last	first
Double plays	last	first
